The logo for Elgin High School (EHS) features the letters 'EHS' in a stylized, blue, serif font. A horizontal line passes through the middle of the letters, with a small gap in the center.

## My Future

I plan to go to College to study Social Studies and then proceed to University to study a Social Work degree.

## Choosing my Path

I always knew I wanted to be in a job where I helped people in the best possible way, once I look at the topics in the University and College course, I found I was interested in them all.

## Skills I've Developed

I have developed confidence and find it easy to speak to people. I have also learned better skills with my organisation for tests, exams etc.

## Wider Achievement

I went to the one day College course, I found it was great fun, being in a different environment and studying something completely different.

In 2012 I was selected to represent Elgin High School and carry the Olympic torch on its journey round Scotland

## My Advice

Look into the course as much as possible and before jumping straight in try something relevant before to see how you enjoy it (e.g. Social Work, Psychology).
