The logo for EHS (East High School) features the letters 'EHS' in a stylized, blue, serif font. A horizontal line passes through the middle of the letters, and the letters are set against a light blue background within a white rectangular frame.

My Future

I plan to study Interior Design at University and get a job in that sector when I graduate. Also, thanks to my experience in Zambia, I really want to travel, working with communities abroad.

Choosing my Path

My main resource was looking through University prospectuses to find out which courses actually existed. But also open days were vital in getting a feel for the University and teaching styles that I looked for in a University.

Skills I've Developed

Throughout my years at High School I've developed skills such as communication, teamwork, time management, social skills and dedication to a cause.

Wider Achievement

For years I have worked as a Young Leader with a local Brownie pack which has worked wonders for my confidence as I organise and lead activities. I've found a reputation as the one who should do all the creative stuff with them!

My Advice

Use Teachers' doubts as motivation to prove them wrong. And don't be too afraid if you're not sure what you want to do, take your time to decide what you actually want to do, don't let yourself be funnelled into something you're not sure about.

Working on my Duke of Edinburgh Awards was a great way of dedicating time to things I love in a busy academic schedule, and it's a recognised qualification on UCAS!
