Dear Parent / Carer

Moray Council Budget Consultation

You may be aware that Moray Council is currently consulting on measures under consideration to reduce annual operating costs in light of having to make savings of £15 million by the end of 2018-2019. The consultation document, entitled 'Bridging the Gap' is available on the Moray Council website: <http://www.moray.gov.uk/downloads/file116876.pdf>

Several proposals will affect the delivery of education at Elgin High School:

- A proposal to halve the number of school librarians in Moray from eight to four, with the remaining librarians being shared between schools.
- A proposal to reduce the number of school technicians across secondary schools, with the post of Supervisory Technician being removed.
- A reduction in the number of Home School Link Workers in the authority.
- Various cuts to the Integrated Children's Services budget.

The budget consultation closes at midnight on Sunday 14 January 2018. You can respond in various ways:

- Email BudgetConsultation@moray.gov.uk with your comments and suggestions.
- Tweet at (@TheMorayCouncil) or join the new Facebook group (Moray Council: Budget 2018) to keep up to date on developments and tell the Authority what you think about the proposals.
