

FAO All Parents/Carers of Elgin High School,
(Letter from the Parent Council)

10 January 2018

Dear Parents/Carers,

Happy New Year and I hope all the students have settled back into the new term. Before Christmas both I as Chair of the Parent Council and the Head Teacher issued letters through the school website highlighting the Moray Council 2018 Budget consultation.

These letters are still available on the school website (dated 22 December 2017):
<http://www.elginhigh.moray.sch.uk/information.html>. In terms of Education the proposals are to reduce the number of School Librarians, School Technicians and Home School Link Workers.

Moray Council are looking for our opinion and the link below will take you to the consultation page. The online interactive survey takes approximately 15 minutes as I did it myself last night.

The consultation (links have been provided below for your convenience) also covers bin collections, road maintenance and other services provided by the Council:

- **Full Information:** http://www.moray.gov.uk/moray_standard/page_116484.html
- **Online Interactive Survey:** https://www.surveymonkey.co.uk/r/Budget18_19

The consultation closes on **Sunday 14th January at midnight**. I would encourage you to complete the survey.

Yours faithfully,

Pat Leonard
Chair, Elgin High School Parent Council
