The logo for EHS (East High School) features the letters 'EHS' in a stylized, blue, serif font. A horizontal line passes through the middle of the letters, and the letters are set against a light blue background with a subtle grid pattern.

My Future

I plan to study Maths at University, because I'm considering possible careers in Teaching or Accounting.

Choosing my Path

I researched different types of courses to discover what was involved in each of them. I also picked something I thought I would enjoy and something that would still give me a broad choice of career because I'm still not set on what I want to do.

Skills I've Developed

Confidence
Organisation
Time Management
Communication
Teamwork
Problem Solving

Wider Achievement

As a member of the Events Management Team in school, I helped to organise a number of events throughout the year – including a “Freshers’ Fayre” with local organisations.

I also have a part-time job at Currys PC World.

My Advice

Don't worry if you don't know what you want to do, it's a good idea to pick a wide range of subjects and subjects that you enjoy because that should still give you a wide range of choice when it comes to deciding what you want to be.
