The logo for EHS (East High School) features the letters 'EHS' in a stylized, blue, serif font. A horizontal line passes through the middle of the letters, with a small gap in the center.

My Future

Hope to take a gap year to gain experience in the film industry and then apply to University the following year.

Choosing my Path

Always wanted to do something in film/TV and having done practical subjects like Higher Photography and Higher Drama for the first time this year it has boosted this desire.

Skills I've Developed

Confidence - Taking part in the Talent Show and dressing up as a 'banana' for the attempt on the world record for the number of people doing the Agadoo boosted this a lot.

Wider Achievement

With a group of friends we formed a tribute band "Take This" which performed at a number of school events. I was a member of the House Leadership Team and helped prepare and present celebration assemblies. However, I want to build on these and this is my reason for taking a gap year.

My Advice

Try a range of subjects, "Stick to what you are good at" shouldn't apply. I had not done a practical subject until this year, but I've thoroughly enjoyed them.
