The logo for Elgin High School (EHS) features the letters 'EHS' in a stylized, blue, serif font. A horizontal gold bar is positioned behind the letters, and the entire logo is set against a white background within a blue-bordered box.

## My Future

I plan to work full time for a year in Elgin. Once I turn 18 I will be applying to do a course to become a member of a Cabin Crew (Air Hostess).

## Choosing my Path

I was influenced by other family members/friends to take on this job in the future. I was also encouraged to do this as I love travelling and getting to see places around the world.

## Skills I've Developed

Confidence  
Communication  
Teamwork  
Organisation

## Wider Achievement

Since I still have one year left until I can become an Air Hostess, I have been using opportunities to e-mail airline companies and find out about the work they have available.

## My Advice

My advice would be to make the choice patiently and not rush into deciding your future plans. Once knowing this, take all the right steps and work your hardest to lead yourself into your future job.
