Please find attached a letter from the Scottish Government regarding the launch of the above consultation, for your convenience I have copied the link here:

<https://consult.gov.scot/learning-directorate/education-scotland-bill/>

The online consultation will seek views on detailed policy proposals and will run until **30 January 2018**. Responses will inform the drafting of the Education Bill which will be introduced to Parliament during the current parliamentary year.

The Scottish Government have requested that we distribute these letters to all staff and parents within our school community. The letter has also been uploaded to our school website under 'Important Information' webpage.

If in the future, you would prefer to receive an email copy of such correspondence please contact the school office with your details.
