Old Spynie Site in Elgin – We have been made aware of the reports regarding the groups of young people who are congregating around here and having been causing considerable damage. Be aware the Police have been informed and will be monitoring the site. As much of this area has been condemned and is in a state of disrepair you should be advised of the dangers posed to you and of the legal implications of being found to be causing damage/ vandalism or a public nuisance. The school would be very disappointed to learn that any of our students are involved. Please ensure you stay away from this and similar sites during the summer holidays or from causing a nuisance or disturbance. (HMc)
