

**Elgin High School**  
**Northern Scot Notes**  
**23 February 2018**

**P7 Induction Progression - Primary Schools** The next induction session will take place on Tuesday 27 February from 3.30pm – 4.30pm when the P7 pupils will visit Elgin High School for further activities. A second after-school session will take place on Wednesday 23 May. Parents/carers are also welcome to attend at 3.30pm for a tour of our new school facilities. P7 pupils will then attend Elgin High School for 3 days from Monday 18 – Wednesday 20 June.

**Adverse Weather Arrangements** – If a decision is taken to close the school to all or some students due to severe weather conditions the information will be made public through various methods including phone lines, social media and radio outlets. Full information can be found on our school website Severe Weather page at [www.elginhigh.moray.sch.uk/severeweather.html](http://www.elginhigh.moray.sch.uk/severeweather.html)

**Elgin High School Talent Show 2018** – Last Friday we saw a tremendous showcase of the skills and commitment of students across the school. Superbly organised by S6 students, a packed assembly hall enjoyed a range of highly entertaining acts. All were worthy of winning and the judges had an extremely difficult decision to make, however the overall winners were Gregor Lawson and Nicola Topp! Congratulations to you both! 2nd place went to Avelon Mungersdorf, and 3rd place was awarded to Eilidh MacDonald and Sonya Willox. Thank you to all who participated and a special thanks to our Technicians who make these events happen.

**Vision & Values Consultation** - Elgin High School is currently developing a shared vision and set of values. To assist with this the Elgin High School Student Voice have developed a survey to give you the opportunity to share your thoughts of what our vision and values should consist of. Your contribution will be confidential and will be used with that of other partners to develop a shared vision and values for Elgin High School. The closing date is midnight on Sunday 11 March 2018 and you can access the survey via the school website or at <https://www.surveymonkey.co.uk/r/NNQW9PT>.

**Schools for Future Visit** - This week we welcomed the Schools for the Future Review Team. The team consisting of colleagues from across the authority visited Elgin High School to share in the teaching and learning experiences of our students, staff and partners. We look forward to sharing and using the findings to continually improve Elgin High School and our drive to raise standards throughout the authority.

**BBC School Report** - Last week S2 elective students who are taking part in the BBC School News Report and focusing on sport in Scotland were lucky enough to meet and interview Gregor Ewan, a member of the GB Paralympic Curling team, before he jetted off to Pyeongchang to compete in the Winter Olympics. Gregor was an inspirational figure telling us how he first got into curling, his training regime, and what it's like to compete at international level. Thoroughly enjoyable and informative in good measure! This week they will be interviewing Robbie Collie (former pupil and current policeman and bodybuilder)  
(Ally Bruce, Nathan Mills, Kayleigh Howie, Josh Parkinson, Robbie Cameron)
